President's Prattle

Hi ho to all members. I'm back on board after a bit of a break. It's a rather sad newsletter this month. Not much content I'm afraid but things should pick up next month.

Wayne is on leave so there will be no President's Prattle this month.

Quite a bit of info has already been emailed out to you, so not much point doubling up and clogging your email boxes.

No report from the bus trip as yet. Or photos. But they should be forthcoming.

No time to search for fill-ins either.

Competition night - "open" all categories

Competition nights are a great way to gain valuable feedback on your images from the judge on the night. A chat with the judge is generally always available unless they have to leave early.

BETTA ELECTRICAL

BALL & CROFT
BETTA ELECTRICAL
45 Corangamite Street
COLAC

Ball and Croft (Betta Electrical) have been kind enough to offer some great discounts on their photo enlargement prices. Simply tell the salesperson that you are a member of the Colac Camera Club and they will adjust the price accordingly.

Ball and Croft will be providing us with discount cards for the coming year and these are to be presented when making a purchase.

10% of all enlargement sales will be donated back to the club, so please get behind this local business (and sponsor) whenever possible.

CLUB SPONSOR

Millman's Paperie & Art Supplies
245 Murray St
COLAC

For all your photographic mounting & framing needs. Double sided tapes, specialised mat board, brown backing tape (highly recommend over anything else you are using), glassine, etc. Just politely mention to the shop assistant at point of sale that you are a member of the Colac Camera Club. This will entitle you to a discount.

CLUB SPONSOR

We welcome Nick Cuthbertson from **Cuppo's Buslines** to our growing list of sponsors and we thank them for their support. Sponsorship is always much appreciated.

If you, or your organisation require bus hire, you now know where to go to find it.

'anonymous'

If you have an appropriate photography joke for this newsletter - don't be shy. Send it in. And if you don't - you can google them. There are loads of them on the www.
